

# GROUNDS MAINTENANCE LABORER PROGRAM:

## Earn an interview for open positions with Four Seasons Total Landscaping starting at \$14/hour

### Who should apply?

Goal-oriented, motivated individuals living in South & West Philadelphia with a desire to obtain full-time permanent employment in the landscaping industry. Successful candidates must thrive in a labor-intensive, fast-paced environment that operates in all weather conditions. A customer-first mindset and attention to detail and safety is a must.

### What is the NYWDI and WPSI Grounds Maintenance Laborer Program?

Navy Yard Workforce Development Initiatives (NYWDI) and West Philadelphia Skills Initiative (WPSI) designed the Grounds Maintenance Laborer Program to connect participants to the technical training, tools and supports needed to build a meaningful career.

This program is a blend of virtual courses and in-person sessions, so consistent access to a laptop or desktop with broadband internet and a working webcam is essential. In-person sessions will maintain high standards of safety compliance in the face of COVID-19 and participants must commit to the schedule posted at [navyyard.org/workforce/jobs](http://navyyard.org/workforce/jobs).

### In this program, we offer:

- Cutting-edge job connection strategies resulting in 95% of graduates finding employment.
- A \$150 weekly stipend while enrolled in the program.
- The opportunity to interview for open, full-time, year-round Grounds Maintenance Laborer positions at Four Seasons Total Landscaping starting at \$14/hour.

### Are you eligible? All applicants must:

- Have a high school diploma, GED, or equivalency
- Commit to the full training schedule
- Have a strong desire to attain and retain full-time, permanent employment
- Be capable of completing physically strenuous labor for long hours, occasionally in extreme heat or cold
- Pass a pre-employment drug screen
- Be a current resident of South or West Philadelphia residing in one of the following zip codes: 19104, 19112, 19131, 19139, 19142, 19143, 19145, 19146, 19147, 19148, 19151, or 19153
