## **RESOLUTION**

Philadelphia Authority for Industrial Development

*Economic Development Administration CARES Grant Funding*

A Resolution authorizing the Philadelphia Authority for Industrial Development (“PAID”) to:

- Execute a Financial Assistance Agreement with the Department of Commerce’s Economic Development Administration (“EDA”) to accept a \$7,458,000 grant, which is funded under the additional Supplemental Appropriations for Coronavirus Aid, Relief, and Economic Act (“CARES Act”); and
- Enter into an agreement with PIDC Community Capital (“PIDC CC”) to subgrant the \$7,458,000 EDA CARES grant and to transfer the ongoing administration of this grant in perpetuity.

The appropriate officers of PAID are hereby authorized and empowered to execute all necessary documents and agreements and do such other acts necessary upon such terms and conditions as they deem to be in the best interests of PAID.

## **BACKGROUND**

On July 28, 2020 PAID was awarded a \$7,458,000 grant from the EDA funded under the additional CARES Act to be used as follows:

- \$6,780,00 to capitalize a Revolving Loan Fund (“RLF”) to alleviate sudden and severe economic dislocation caused by the COVID-19 pandemic, to provide permanent resources to support economic resiliency, and to further the long-term economic adjustment objectives of the Greater Philadelphia region. Specifically, these funds will be used to capitalize the Restart PHL Loan Fund; and
- \$678,000 to defray the cost of administering the RLF

In order to ensure the efficient administration of this grant and to consolidate small business resources, PAID will transfer the EDA CARES grant as well as the ongoing administration of this RLF to PIDC CC. As the administrator for these funds and the RLF, PIDC CC will, at minimum, accept the transfer of the grant funds and will have the responsibility for loan origination, underwriting, disbursement, closing, portfolio management, and reporting.

## **RESOLUTION**

Philadelphia Authority for Industrial Development

*Sci-Tek Consultants, Inc.*  
*(Revision to Approved Resolution)*

A revision to the contract the Board of Directors of the Philadelphia Authority for Industrial Development (PAID) previously approved with Sci-Tek Consultants Inc. to conduct Phase I & II Environmental Site Assessments for five (5) properties in the Lower Schuylkill River.

The appropriate officers of PIDC are hereby authorized and empowered to execute all necessary documents and agreements, and to take such other actions upon such terms and conditions as they deem to be in the best interests of the Corporation.

## **BACKGROUND**

At its April 21, 2020 meeting, the PAID Board approved a \$160,000 contract with Sci-Tek to conduct environmental site assessments. The approved contract was proposed to be funded using a combination of grant funds from the PA Department of Community & Economic Development's (DCED) Industrial Sites Reuse (ISR) Program (75%) with a match from the Industrial and Commercial Revolving Fund (25%). Due to impacts from the COVID-19 pandemic, DCED has put an indefinite hold on ISR grant awards. In June, PAID was awarded a \$300,000 Site Assessment grant from the U.S. Environmental Protection Agency (EPA). PIDC proposes replacing the ISR funding with the EPA grant to fund this work.

All other terms and conditions of the original resolution remain in effect and unchanged.
