PIDC

Driving growth to every corner of Philadelphia

PIDC is Philadelphia's public-private economic development corporation and Walt D'Alessio has committed more than 46 years to PIDC as its chief executive and Chairman. In recognition of his decades of commitment and leadership at PIDC, his many years of service to Philadelphia's business, civic and governmental communities, and his support for people across the profession, we launched the PIDC-D'Alessio Scholarship Fund to support graduate students at Philadelphia schools seeking to pursue a career in urban development and finance.
